Stainless steel flush-mounted mailbox BASIC Plus 382XU UP Elegance II - RAL of your choice

Modern flush-mounted mailbox - made in Germany by Briefkasten Manufaktur. Supplemented by the design panel Elegance with a discreet dividing line, a house number and name inscription as a high-quality laser inscription in gray font color.

The mailbox is made entirely of stainless steel V2A, powder coated in RAL color. The very high quality workmanship and the sophisticated concept make this flush-mounted mailbox our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, a practical mail holding bracket and the very robust lock distinguish this flush-mounted mailbox. The flush-mounted frame made of stainless steel V2A is equipped with a foam rubber seal and guarantees a very high durability.

The letterboxes of the BASIC Plus collection are characterized by the consistent use of stainless steel V2A. The result is a very high durability and sustainability. The design has been developed by our own engineers with a view to high flexibility or modularity, easy spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

- Flush-mounted letterbox completely made of stainless steel V2A with letterbox, powder-coated in RAL color of your choice.
- The system is created at the letterbox manufactory. German quality production "Made in Germany".
- The letterbox complies with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 crosswise, here fit even large letters without bending.
- Insertion flap with noise-damping rubber seal for very quiet insertion of mail.
- The door can be opened from left to right.
- Incl. 2 keys with key number and mail holding bracket.
- Large capacity due to optional mailbox depth +50 mm = approx. 17 l. Suitable for companies and households with very large mail volumes.
- Cover made of stainless steel V2A 1.4301, ground. Optionally with laser inscription in gray. House number approx. 80-100mm height & name inscription approx. 15-25mm height.
- Plaster cover frame made of stainless steel angle profile 25 x 58mm, powder coated in RAL color.

Important Information:

Mail is protected from moisture and dirt only when fully inserted and flap closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.
