Stainless steel free-standing letterbox Design BASIC Plus 381X ST-R Elegance II - RAL of your choice

Modern free-standing letterbox for 1 party - made in Germany by Briefkasten Manufaktur. Supplemented by the design fascia Elegance with a discreet dividing line, a house number and name inscription as a high-quality laser inscription in gray font color. The letterbox is made of stainless steel V2A, powder-coated in RAL color, the stand elements are made of weather-resistant stainless steel V2A, ground. The very high quality workmanship and the sophisticated concept make this free-standing letterbox our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, a practical mail holding bracket and the very robust lock distinguish this free-standing letterbox. The side panel with protruding rain cover made of stainless steel V2A offers optimal protection against the weather and guarantees a very high durability.

The letterboxes of the BASIC Plus collection are characterized by the consistent use of stainless steel V2A. The result is a very high durability and sustainability. The design has been developed by our own engineers with a view to high flexibility or modularity, easy spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus units.

- free-standing letterbox made of stainless steel V2A, powder coated in RAL color.
- The system is manufactured at Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterbox complies with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 crosswise, here fit even large letters without bending.
- Insertion flap with noise-damping rubber seal for very quiet insertion of mail.
- The door can be opened from left to right.
- Incl. 2 keys with key number and mail holding bracket.
- Large capacity due to optional mailbox depth +50 mm = approx. 17 l. Suitable for companies and households with very large mail volumes.
- Cover made of stainless steel V2A 1.4301, ground. Optionally with laser inscription in gray. House number approx. 80-100mm height & name inscription approx. 15-25mm height.
- Incl. side cladding + rain roof made of stainless steel V2A, powder coated in RAL color.
- The stand elements are made of 42.4mm V2A stainless steel 1.4301, ground for screw mounting or for setting in concrete.

Important information:

Mail is only protected from moisture and dirt when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1cm). This is not a reason for complaint.
