Concealed mailbox CLASSIC 534C - titanium brass similar to gold - 1 party

This noble flush-mounted mailbox has a titanium brass surface similar to gold. The dimensions are optimal for the daily mail volume. Convenience is provided by a rain drainage edge for optimal water protection, a damped insertion flap, the solid changeable name plate, a practical mail holding bracket and the very robust lock.

- Flush-mounted mailbox with front in polished stainless steel PVD "titanium brass".
- Inner housing made of galvanized steel, gray powder coated.
- German quality manufacturing "Made in Germany".
- Plaster cover frame all around 20 mm made of stainless steel polished PVD "titanium brass".
- The mailbox complies with DIN/EN 13724. Insert size (3.3 cm x 33.6 cm) for C4 landscape, here fit even large letters without bending.
- The flap is equipped with a damper for very quiet insertion of the mail.
- The removal door can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the access flap and mail retainer.
- The inscriptions on the nameplates can be changed as required.
- The mail retainer prevents mail from falling out when the door is open.
- Installation dimension or cut-out dimension: W 370 mm x H 330 mm plus 15 mm all-round.
- For flush mounting with surface-mounted plaster frame.
