## Mailbox cover AVANTGARDE for BASIC 355x330 - self-adhesive - 345x182 - polished stainless steel

The AVANTGARDE covers made of 1mm stainless steel are a beautiful letterbox decoration and very easy to retrofit. The design panels can be individually labeled by you. In many fonts and sizes, your house number, name inscription or any inscription is possible. The inscription is done with a modern fiber laser in gray font color directly on the stainless steel, so the inscription is very durable. Stainless steel visually adapts to other materials with elegance and greatly enhances their appearance. This fascia is made of stainless steel, making it particularly corrosion-resistant, rust-proof, easy to clean, very stable and durable. This high-quality letterbox accessory is suitable for all letterbox models BASIC 355x330.

Mounting on smooth or fine-textured surfaces is easy with the supplied adhesive dots.
