Stainless steel sign Elegance 423A 225x395 - RAL at choice - LED lighting - house number - street o. name

High quality house number sign with LED lighting for wall mounting made in Germany by Briefkasten Manufaktur. The ideal complement for our mailboxes in RAL color of your choice. The sign is made of high quality stainless steel V2A 1.4301. Design ELEGANCE is a discreet lettering in stainless steel, ground. By removing the powder coating, the polished stainless steel becomes visible and offers a high and noble contrast.

Mounting is simply done by inserting the supplied dowels into the masonry, then the element is "hammered" into the dowels. In this way, you achieve an optimal and secure fastening. The fixing material is included.

- Sign made of 2mm stainless steel V2A 1.4301, powder coated in RAL color.
- The sign is created at the letterbox manufactory. German quality production "Made in Germany".
- High quality LED light strip made of stainless steel, polished. LED lighting 12V DC approx. 50mA / 1W, white. A power supply unit is included.
- Street name / name inscription, lasered out approx. 20-30mm wide depending on the number of characters.
- House number, lasered out approx. 70-100mm high depending on the number of characters.
- Dimensions: 225 x 395 x 2 mm (W x H x D).
