2-compartment Fence mailbox freestanding Design BASIC Plus 381XZ ST-R with newspaper compartment - RAL of your choice - removal from the rear side

High quality fence mailbox with closed newspaper compartment, to be operated with a toggle lock for 2 parties made in Germany by Briefkasten Manufaktur.

The successful BASIC collection as a fence mailbox. The insertion is on the front side, the residents can remove the mail on the back side.

The mailboxes are made of stainless steel V2A, powder coated in RAL color, the stand elements are made of weather-resistant stainless steel V2A, ground. The very high quality workmanship and the sophisticated concept make this free-standing letterbox our top seller. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet insertion, the solid interchangeable name plate, a practical mail holding bracket and the very robust lock distinguish this free-standing letterbox. The side panel with protruding rain cover made of stainless steel V2A offers optimum protection against the weather and guarantees a very long service life.

The letterboxes of the BASIC Plus collection are characterized by the consistent use of stainless steel V2A. The result is a very high durability and sustainability. The design has been developed by our own engineers with a view to high flexibility or modularity, easy spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.
