Stainless steel bell plate BASIC 424E4-150150 - Elegance IV - powder coated - RECTANGULAR

The doorbell plate BASIC in RAL color has a very high quality finish and a robust stainless steel button. The inscription of the house number and the name in stainless steel look very elegant and modern. Installation is simple by inserting the supplied dowels into the masonry, then the element is "hammered" into the dowels. In this way you achieve an optimal and secure fastening. The fixing material is included.

- Bell plate made of 2mm stainless steel, powder coated in RAL color fine structure matt.
- Attached front panel 1.5 mm stainless steel, ground.
- Round stainless steel bell push button, max. 24 V AC/DC, 1.5 A, IP 54 (pressure force limitation).
- Dimensions: 150 x 150 x 2 mm (W x H x D).
- Optional name inscription, lasered approx. 15-30mm high.
