## Stainless steel bell plate OHAIN BiColor - stainless steel polished - RAL of your choice

The bell plate OHAIN in stainless steel, ground with bell plate in RAL color is very high quality workmanship and has a robust stainless steel button. It is easily mounted by inserting the supplied dowels into the masonry.

- Bell panel made of 1.5mm stainless steel V2A 1.4301, 240 grain ground.
- Bell plate made of 2mm stainless steel, powder coated in RAL color.
- Round stainless steel bell push button, max. 24 V AC/DC, 1.5 A, IP 54 (pressure force limitation).
- Optional name inscription, lasered approx. 7mm high.
- Mounting on the wall is very easy with the included screws and dowels.
- Incl. 4x screws cover caps made of stainless steel V2A, ground, so that the screws for fixing the front panel are not visible. See pictures.
