2-compartment Stainless steel free-standing letterbox Design BASIC Plus Xubic 385X ST-BP with parcel shelf 550x370 - RAL of your choice

Modern stainless steel free-standing letterbox for 2 parties made in Germany by Briefkasten Manufaktur. The cubic design in combination with staggered arrangement results in a unique image that makes every house entrance something special. The mailbox is made of stainless steel V2A, powder coated in RAL color. A close-fitting side panel with rain cover and the rain gutters for optimal water protection, a throw-in flap with rubber lip, the solid change name plate and the robust lock distinguish this free-standing letterbox. This mailbox is easy to clean and insensitive. The elegant rectangular pillars are solidly made of 2 mm stainless steel V2A 1.4301, powder coated in RAL color for screw mounting.

Parcel reception independent of delivery person! Every parcel deliverer (e.g. DHL, DPD, TNT, GLS, Hermes, etc.) can use this parcel box. This parcel box is especially suitable for large, but few (usually 1 pc. per day) parcel shipments.

The letterboxes of the BASIC Plus collection are characterized by the consistent use of stainless steel V2A. The result is a very high durability and sustainability. The construction has been developed by our own engineers with regard to high flexibility or modularity, easy spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus units.

- 2-compartment free-standing letterbox completely made of stainless steel 1.4301 V2A, powder coated in RAL/DB color.
- The system is made at the letterbox manufactory. German quality production "Made in Germany".
- The letterboxes made of stainless steel V2A, powder coated in RAL color comply with DIN/EN 13724.
- 1x letterbox 370x330x385 mm (WHT) and 1x letterbox 370x440x385 mm (WHT). Removal from the front, the removal doors open from left to right.
- Throw-in size (3,5 cm x 32,5 cm) for C4 crosswise, here also large letters fit in without bending.
- Insertion flaps with noise-dampening rubber lip for very quiet insertion of mail.
- Parcel box 370x550x385 mm (WHT) incl. parcel lock with latch. Including stainless steel laser inscription "PAKET".
- Volume parcel compartment: 77 liters, Max. Package size: 340 x 520 x 350 mm (WHT).
- Including 2 keys with key number per individual box and changeable name plate (type 2) under the access flap.
- Incl. close-fitting side panel+rain cover made of stainless steel V2A, powder-coated in RAL color.
- The W 80 mm x D 40 mm stand elements are made of stainless steel V2A 1.4301, powder coated in RAL color for screw mounting.

Important information:

The mail is only protected from moisture and dirt when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.
