Stainless steel bicycle stand ACHIM with lockers - Optional as e-bike charging station - stainless steel V2A polished

The noble bicycle stand ACHIM with curved holding brackets arouses an organic appearance by the round forms, which fits into each modern arranged environment. The bicycle stand is completely made of stainless steel V2A .4301 polished and suitable for 3 bicycles. Material and workmanship are characterized by the highest quality. Durable weather resistance and absolute robustness against high mechanical loads are a matter of course with this multiple stand for bicycles. In addition, the bicycle stand ACHIM allows theft-proof parking of bicycles, as all components are welded.
The lockers made of stainless steel, polished with side cover and rain roof can be optionally equipped with Schuko socket. Thus, the lockers can serve as an e-bike charging station. The lockers can be equipped with a lever lock, toggle lock (for padlocks) or RFID latch lock - Keylezz.
