Stainless steel bicycle hanger ACHIM with double crossbar - RAL of your choice

The noble ACHIM bicycle hanger with its round shape creates an organic appearance that fits into any modern environment. The lean-to is completely made of stainless steel V2A .4301 powder-coated. Material and workmanship are characterized by the highest quality. Durable weather resistance and absolute robustness against high mechanical loads are a matter of course for this lean-to for bicycles. In addition, the ACHIM lean-to allows for theft-proof parking of bicycles, as all components are welded.

• Completely made of stainless steel V2A 1.4301, powder coated in RAL/DB color.
• The bicycle parking bracket is manufactured at Briefkasten Manufaktur. German quality production "Made in Germany".
• The columns and crossbars are made of 60.3 mm stainless steel V2A 1.4301, powder coated either for screw mounting or for setting in concrete.
