2-compartment Video door station DESIGNER 530S - RAL of your choice - Comelit VIDEO Komplettset Wifi

This simple and at the same time elegant doorbell plate fits seamlessly into the house facade. The multi-part front panel made of stainless steel V2A 1.4301 in your desired color is placed on a 5mm stainless steel frame and stands out slightly from the house wall in this respect. The individual front panels can be changed at any time, so that the camera model can be replaced even after years. Integrated Comelit video intercom including apartment station with an integrated Wifi system for mobile access via app from your smartphone.

Our products have a high value, reliable functionality and their own identity. Made by Mailbox Manufacture.

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Contact your trusted electrician for planning, mounting and installation.

Water protection

For optimum water protection, the door station should be located under a canopy if possible.
