IP video door station Ultra surface mount with home station 6742W Wifi - complete set - RAL of your choice

- Door station with audio/video unit in RAL/DB color of your choice.
- IP system, just plug in LAN cable and go.
- Wide angle camera (H160° x V100° field of view) with HD resolution.
- LED illumination of the camera. The integrated infrared LEDs under the camera lens provide an optimal view of all visitors even at night.
- Omni-directional digital microphone and two speakers for hi-fi audio.
- Additional visual and audible indicators for handicapped, adjustable in the programming.
- The 2 integrated relays allow door or gate openers to be connected directly through the module. The control of the 2 door and gate openers is done via the indoor station or via your smartphone or tablet via app.
- Protection class IP65 and IK08.
- With surface-mounted housing for wall mounting.
- Incl. home station 6742W with mobile function (optionally required accessories: 1440 switch, 1441 power supply unit PoE).

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Contact your trusted electrician for planning, installation and setup.
