Parcel box BOXsystem BASIC 752V2 - RAL of your choice - 1x parcel box

High-quality manufactured parcel box with square tube stand elements completely made of stainless steel, powder-coated in RAL/DB color. This parcel box convinces by an extremely long life span, massive construction and unbeatable large volume.

The closed cladding plates made of stainless steel hide the parcels placed behind them. The parcel compartment is suitable for particularly large, but few (usually 1 pc. per day per parcel compartment) parcel shipments. A shelf prevents your parcel from lying on the floor.

Parcel reception independent of the delivery agent! Every parcel deliverer (e.g. DHL, UPS, DPD, TNT, GLS, Hermes, etc.) can use this parcel box.

- Parcel box made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder coated in RAL of your choice.
- The parcel box is handmade at Briefkasten Manufaktur. German quality production "Made in Germany".
- Parcel box 740x1180x800 mm (WHT). Volume parcel compartment: 628 liters, Max. Package size: 710 x 1150 x 770 mm (WHT).
- High-quality parcel lock with snap-in lock. Including 5 keys with key number.
- Rain roof made of stainless steel, powder coated in RAL/DB color. Optional planting roof possible.
- Name inscription 15-30mm possible.
- The columns are made of 40x40 mm stainless steel V2A 1.4301, powder coated in RAL/DB color for screw mounting.

Important information

Water protection

In order to achieve an optimal water protection of your parcels, the parcel box should be located under a canopy if possible. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for complaint.
