Floor-aligned nameplate for GOETHE mailbox - 2-piece - carrier plate + nameplate optionally with laser lettering

This name tag can be exchanged against the plastic nameplate of the mailboxes GOETHE. Due to the flush optics, the mailbox with this name tag looks much more elegant and more modern. The name tag is made of stainless steel V2A 1.4301 and can be optionally powder-coated. The name tag is 2-piece, consisting of carrier mitch (self-adhesive) and the name tag to screw. This guarantees that the name tag can be exchanged for a tenant change.

- nameplate made of 2mm stainless steel V2A 1.4301 ground or powder coated.
- consisting of carrier plate and name tag. The carrier plate is self-adhesive and is glued back for mounting.
- optionally with laser labeling. Greeting the label is attached to the course and the number of characters.
