Directional sign freestanding BASIC 390 - stainless steel stand element - stainless steel sheet 550x150

High-quality signpost, free-standing made in Germany by Briefkasten Manufaktur.

The complete signpost is made of weather-resistant stainless steel V2A. The sign is powder-coated and inscribed with a laser engraving.

Thanks to the construction method, self-assembly is uncomplicated.

- Signpost freestanding made of weatherproof stainless steel V2A, ground.
- The signpost is produced at the Briefkasten Manufaktur. German quality production "Made in Germany".
- The stainless steel sheet is powder-coated in RAL/DB colour with a high-quality laser inscription.
- Fixing of the stainless steel sheet with perforated sheet holders, so they can be changed at any time.
- The stand element consists of 42.2 mm V2A stainless steel 1.4301, ground for screw mounting or for setting in concrete. **When choosing the stand element, please note the construction height (signs should be placed as high as possible to protect against vandalism).**
