Security mailbox type 116 AP - polished stainless steel

The bank mailbox type 116 is a wall mailbox with increased security standard. With 5 mm material thickness completely made of stainless steel.

- The stainless steel material thickness of the security mailbox is 5 mm.
- Mail items up to B4 protected with toothed plate as well as steel pins against unauthorized removal.
- opening width of the mail flap is adjustable.
- Suitable for wall mounting.
- The mailbox is equipped with an ABUS profile half cylinder 30/10. This allows you to easily replace the lock with another profile half cylinder of your choice (e.g. a locking system) if necessary.
- **The letterbox weighs 20 kg. Please note!**
