Security free-standing letterbox - pillar - A4 folder mailbox type 190 - polished stainless steel

Column mailbox for 3-5 A4 folders (81 x 318 x 285 mm) + regular mail with removal protection by means of toothed plate, as well as steel pins. Especially suitable for banks, tax offices, tax offices and companies with large security regulations. Very high quality workmanship! Made in Germany.

- free-standing letterbox TYPE 190 with increased security standard, extra large slot and volume made of high quality stainless steel V2A, ground.
- The material thickness of the mailbox column is 3mm stainless steel, polished, the welded cover plate is made of 4mm stainless steel, polished.
- Removal door with ABUS profile cylinder to open from left to right made of 3mm stainless steel. If necessary, you can easily replace the lock with another profile half cylinder of your choice (e.g. of a locking system).
- Insertion flap with pneumatic damping. Insertion size for A4 folders (BH 315mmx100mm), with toothed plate as well as steel pins against unauthorized removal.
- Suitable for floor mounting. Base cover for floor mounting invisible in the floor area.
- **Please note! The letterbox weighs 68 kg.**
