stainless steel mailbox free-standing 690773 "Post", body anthracite-colored with newspaper box

mailbox free-standing with front panel in stainless steel and excerpt "Post" with plexiglass behind. This mailbox is massively manufactured and the basic material is completely made of stainless steel & aluminum. This is how optimal rust protection is given. The structure also gives optimal water protection. The door lock side is suitable for right-handed people, so that one-handed operation is possible.

- mailbox free-standing from high quality, brushed stainless steel.
- The mailbox body consists of aluminum, anthracite painted.
- with a newspaper box, unit on both sides.
- with stainless steel cylinder lock including 2 keys.
- Made in Germany (Fröndenberg), absolutely high-quality workmanship.
- letter from above.
- Castle side on the right. Open the letter from right to the left with a stop damping.
- with mirrored lettering "Post" made of glass.
- incl. Self-adhesive namesake made of stainless steel, engravable.
- The stand columns consist of 40 mm x 40 mm stainless steel V2A 1,4301, ground.

Important information:

The post is only protected from moisture and pollution when the flap is completely thrown and closed. In certain extreme weather conditions, water can still occur (according to DIN EN 13724 to 1ccm). This is not a reason for complaint.
