Stainless steel free-standing letterbox with fence mailbox HESSE 308 - removal from the rear side

Ideal as a fence mailbox, the insertion is from the front and the removal from the back. Manufactured by Briefkasten Manufaktur. The removal door is equipped with a practical Plexiglas viewing window.

- Letterboxes made of high-quality, weather-resistant stainless steel V2A 1.4301, ground.
- Rear door with Plexiglas - viewing window for viewing & opening limiter.
- Removal of mail takes place at the back, removal flap to open from top to bottom.
- Insertion takes place from above.
- The box corresponds to the DIN/EN, insert C4 crosswise. Here fit also large letters purely, without bending.
- The delivery includes 2 keys and an engravable nameplate to stick on.
- The columns are made of 42.4 mm stainless steel V2A 1.4301, ground.

Important information:

The mail is only protected from moisture and dirt when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.
