Large capacity letterbox freestanding design BASIC 380BP-550 ST-T - RAL 7016 anthracite gray - 370x550x380 - 77 liters incl. side panel & rain cover - anthracite gray RAL 7016

Modern large capacity letterbox for exemption with cladding and rain roof - made in Germany by Briefkasten Manufaktur.

This mailbox is suitable for particularly large mail volumes in the business environment or in the absence of several days in private households.

The letterboxes made of galvanized steel, powder coated in RAL 7016 anthracite gray, the stand elements made of anodized aluminum profile, powder coated are solidly manufactured and at the same time very elegant. A close-fitting side panel with rain cover made of 2mm stainless steel, the rain drainage channels for optimal water protection, a throw-in flap with rubber lip, the solid change name plate and the robust lock distinguish this free-standing letterbox. This mailbox is easy to clean and insensitive.

Thanks to the construction method, self-assembly is uncomplicated.

- **free-standing letterbox completely powder-coated in RAL 7016 anthracite gray fine structure matte**

- The system is made at the letterbox manufactory. German quality manufacturing "Made in Germany".

- This large capacity mailbox is suitable for increased mail volume with 77 liters.

- The mailboxes are made of galvanized steel, powder coated in RAL 7016 anthracite gray fine structure matt comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 crosswise, here fit even large letters without bending.

- Insertion flaps with noise-damping rubber lip for very quiet insertion of mail.

- The doors can be opened from left to right.

- Incl. 2 keys with key number and change name plate under the access flap per mailbox.

- Incl. close-fitting side panel + rain cover made of stainless steel V2A, powder coated in RAL 7016 anthracite gray fine structure matt.

- Optional house number inscription, lasered approx. 80-100mm high.

- The stand elements are made of aluminum profile, powder coated in anthracite gray RAL 7016 fine structure, matt for screw mounting or for setting in concrete.

Important information:

Mail is only protected from moisture and dirt when fully inserted and the flap is closed. In certain extreme weather conditions, water can still enter (according to DIN EN 13724 up to 1ccm). This is not a reason for complaint.
