11-unit 6x2 surface-mounted mailbox system Design BASIC 385A AP - stainless steel RAL 7016 anthracite | 300x110x385 mm (WxHxD) - ?? Normal 12 litres | BI-Color brushed stainless steel | RAL 7016 anthracite grey | with 11 mailboxes

Product number 385A-7016VA-11W

Product description

Wide Surface-Mounted Mailbox System BASIC 385A for 11 Households – BI-Color RAL 7016 / Stainless Steel

The BASIC 385A surface-mounted mailbox system for 11 households is a robust wall solution for apartment buildings, residential complexes and commercially used properties. The wider W version distributes the mailboxes across a multi-column front and keeps the overall installation lower in proportion and visually clear.

The BI-Color version combines anthracite grey powder-coated mailbox bodies with brushed stainless steel V2A elements. The material contrast gives the BASIC system a high-quality, modern appearance.

Each mailbox measures 300 × 110 × 385 mm (W × H × D) and offers approx. 12 litres of volume. The 35 × 265 mm insertion slot is designed for DIN C4 items in portrait format. The doors open from left to right; each mailbox includes two keys with key number and an interchangeable nameplate located beneath the insertion flap.

The advantages of the BASIC 385A surface-mounted system at a glance

Rain canopy and side panels

The rain canopy and side panels unite the individual mailboxes into a continuous surface-mounted installation. The coordinated cladding ensures a calm front and a neat finish at the façade.

DIN C4 insertion and 12 litres volume

The 300 × 110 × 385 mm (W × H × D) mailboxes each provide approx. 12 litres of volume. The 35 × 265 mm insertion slot also accepts larger DIN C4 items in portrait format.

Quiet insertion and secure allocation

The rubber lip cushions the insertion flap. Robust locks, two keys with key number and protected interchangeable nameplates ensure a clear assignment of the individual mailboxes.

Mounting rail for wall installation

The surface-mounted system is designed for direct façade installation. A mounting rail facilitates installation; fixings with screws and wall plugs are included in the described version.

BI-Color in anthracite and stainless steel

RAL 7016 Anthracite grey fine-textured matt is combined with brushed stainless steel accents to create a striking material contrast. The system is manufactured in Germany by the mailbox manufactory.

Equipment of the BASIC 385A mailbox system

Mailbox system

Number of mailboxes 11 separately lockable compartments
Single compartment 300 × 110 × 385 mm (W × H × D)
Volume Approx. 12 litres per mailbox
Material BI-Color: galvanised steel in RAL 7016 with stainless steel V2A accents
Finish RAL 7016 Anthracite grey fine-textured matt / brushed stainless steel V2A
Standard DIN EN 13724

Mail and operation

Insertion slot 35 × 265 mm, suitable for DIN C4 portrait
Insertion flaps With noise-damping rubber lip
Mail retrieval From the front
Door opening From left to right
Keys 2 keys with key number per mailbox
Nameplate Interchangeable nameplate beneath the insertion flap

Cladding and wall mounting

Side cladding Close-fitting design
Rain canopy Solid, system-matching design
Installation type Surface-mounted wall installation
Mounting aid Mounting rail
Fixings Screws and wall plugs included; check suitability for the on-site wall construction
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on wall mounting

The wall must be even and sufficiently load-bearing. The supplied screws and wall plugs should only be used if they are suitable for the existing wall construction; for other substrates or external thermal insulation composite systems, appropriate fixing solutions must be specified on site.

Note on weather protection

Mail is best protected from moisture and dirt only when items are fully inserted and the insertion flap is closed. Protruding letters or magazines can prevent the flap from closing completely.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Series	BASIC
Boxes by volume	Normal > 10 litres
Name labelling	Nameplate
Surface/colour	RAL 7016 anthracite grey, Brushed
Removal of mail	On the front
Number of boxes	with 11 letterboxes
Mounting type	Surface-mounted
