Product description

3-compartment flush-mounted stainless steel letterbox BASIC Plus 382XU UP with side bell box - brushed stainless steel

Modern flush-mounted letterbox for 3 households with bell box for intercom system (optional camera) - made in Germany by Briefkasten Manufaktur.

The letterbox is made entirely from stainless steel V2A, brushed. The very high-quality workmanship and the well thought-out concept make this recessed letterbox one of our top sellers. A rain drip edge for optimal water protection, a continuous rubber lip for quiet insertion, a solid changeable nameplate, a practical mail retention bracket and a very robust lock characterise this flush-mounted letterbox. The recessed frame made from stainless steel V2A is fitted with a foam rubber seal and guarantees very high durability.

The letterbox systems of the BASIC Plus collection are characterised by the consistent use of stainless steel V2A. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part assembly and uncomplicated self-installation. Spare parts for all BASIC Plus systems are directly available.

Important information

Camera or intercom preparation

Intercom systems must be connected by a qualified electrician. For planning, installation and commissioning, contact the electrician of your choice.

Water protection

Mail is only protected from moisture and dirt when fully inserted and with the flap closed. Under certain extreme weather conditions, water may still enter (according to DIN EN 13724 up to 1 cm³). This does not constitute grounds for a complaint.
