# 5-unit 3x2 designer freestanding mailbox GOETHE ST-Q - RAL colour of your choice | 100mm depth | with 5 mailboxes

**Product number** 215-STQ-5

## Product description

## 5-unit 3x2 design freestanding mailbox GOETHE ST-Q - RAL colour of your choice

High-quality manufactured 5-party freestanding mailbox with elegant rectangular stand elements. The modern GOETHE mailbox is ideal for a discerning entrance area. Its clean, linear design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large mail slot guarantees that DIN-C4 envelopes and magazines — or post accumulated during several days' absence — do not become creased. The innovative Push-Key lock is concealed unobtrusively inside the mailbox. The key is simply pushed into the existing aperture (no turning required) and the door opens. The position of the lock is designed so that the retrieval door prevents the mail from falling out towards you. Thanks to the drip edge, the internal mail is optimally protected from the weather. The mail flap is fitted with high-quality hinge dampers, ensuring a quiet close and preventing annoying rattling caused by weather. The replaceable plexiglass nameplates can be conveniently accessed from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an Advertising Yes/No insert.

The GOETHE mailbox systems are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy installation of spare parts and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-assembly is uncomplicated.

**Protected utility model according to DPMA file number DE: 20 2021 101 679.5**

- 5-unit freestanding mailbox made of stainless steel and aluminium.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in a RAL colour of your choice.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per compartment.
- Letters are inserted and retrieved from the front. Mail flap with high-quality hinge dampers for very quiet posting of mail.
- The mailboxes comply with DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape; large envelopes also fit without bending.
- Retrieval doors open from top to bottom. This prevents the post from falling out towards you.
- Plexiglass nameplate for name inscription and a second nameplate with Advertising Yes/No per compartment.
- Optimal protection from rain via drip edges and a rain canopy made of 3 mm aluminium AlMg3 W19, powder-coated in a RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in a RAL colour of your choice.
- Rear panel made of 1 mm stainless steel V2A 1.4301, powder-coated in a RAL colour of your choice.
- The B 40 mm x T 80 mm support posts are made from 2 mm stainless steel V2A 1.4301, powder-coated in a RAL colour for embedding in concrete or for screw mounting.

**Important information:**

To achieve optimal protection of your post from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail items are only protected from water if they are placed completely inside the box and the mail flap is closed. Partially inserted mail permits the ingress of moisture and dirt into the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a valid reason for a complaint.

## Product properties

| | |
|---|---|
| **Surface/colour** | RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white |
