Designer flush-mounted mailbox GOETHE UP - LaserCut Edition - RAL colour of your choice

Product number 215-UP-1-LS

Product description

Design flush-mounted mailbox GOETHE® UP - LaserCut Edition - RAL colour of your choice

The modern flush-mounted mailbox GOETHE® with a LaserCut nameplate for a 3D effect on your inscription is ideal for an upscale entrance area. The clean-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the single compartment provide a capacity of approx. 16 litres; the large aperture ensures that even DIN C4 envelopes and magazines — or post accumulated during several days' absence — remain uncreased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. Due to the position of the lock, this mailbox is designed so that the retrieval door prevents the post from falling out towards you. Thanks to the water drainage edge, the internally stored post is optimally protected from the weather. The insertion flap is fitted with high-quality hinge dampers, ensuring very quiet closing and preventing irritating rattling caused by weather.

The mailbox systems of the GOETHE® collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, simple spare part assembly and straightforward self-assembly. Spare parts for all GOETHE® systems are available directly from our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- Flush-mounted mailbox entirely made of stainless steel.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailbox (400 x 400 mm) made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in a RAL colour of your choice.
- Innovative Push-Key lock with 2 keys.
- Mail insertion and retrieval are from the front. Insertion flap with high-quality hinge dampers for very quiet mail deposition.
- The mailbox complies with DIN/EN 13724. Insertion aperture (3.5 cm x 36.0 cm) for C4 landscape; large envelopes fit in without bending.
- Retrieval door opens from top to bottom, so the post cannot fall out towards you.
- With interchangeable LaserCut nameplate made of V2A stainless steel, brushed. The inscription is laser-cut so that the underlying surface becomes visible, creating an attractive 3D effect.
- Name inscription approx. 20–60 mm high.
- House number inscription approx. 60 mm high.
- Plaster cover frame made from stainless steel angle profile 25 x 58 mm, powder-coated in a RAL colour.

Important information:

To achieve optimal protection of your post from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Post is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted post allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress does not constitute grounds for a complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), Brushed, RAL 9007 grey aluminium, RAL 9016 traffic white
