2-unit 2x1 design flush-mounted mailbox system GOETHE UP - RAL colour of your choice | 100mm depth | with 2 letterboxes (2x1)

Product number 215-UP-2W

Product description

2-unit (2x1) design flush-mounted mailbox system GOETHE UP - RAL colour of your choice

High-quality manufactured 2-household flush-mounted mailbox system. The modern GOETHE mailbox is ideal for a sophisticated entrance area. Its straight-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large mail slot ensures that C4 envelopes and magazines, or mail accumulated during several days away, are not creased. The innovative Push-Key lock is hidden invisibly inside the mailbox. The key is simply inserted into the existing opening (no turning necessary) and the door opens. The position of the lock is designed so that the retrieval door prevents mail from falling towards you. Thanks to the water drainage edge, mail inside is optimally protected from the weather. The insertion flap is equipped with high-quality damper hinges, ensuring quiet closing and preventing any annoying rattling caused by weather conditions. The replaceable nameplates made of Plexiglas can be conveniently accessed from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an advertising Yes/No insert.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part assembly and uncomplicated self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the construction method, self-installation is straightforward.

Protected utility model according to DPMA file reference DE: 20 2021 101 679.5

- 2-household flush-mounted mailbox completely made of stainless steel.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per household.
- Mail insertion and retrieval are performed from the front. Insertion flap with high-quality damper hinges for very quiet mail insertion.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters also fit without being folded.
- Retrieval doors open from top to bottom, preventing mail from falling out.
- Plexiglas nameplate for name labelling and second nameplate with advertising Yes/No insert per household.
- Optional house number inscription approx. 70–80 mm high.
- Plaster cover frame made of stainless-steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

For optimum protection of your mail from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water when it is completely placed inside the box and the insertion flap is closed. Mail not fully inserted allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
