Designer mailbox column BRENTANO® - RAL colour of your choice | ? Colour of your choice

Product number 803-STL-RAL

Product description

Designer mailbox column BRENTANO® - RAL colour of your choice

The BRENTANO® mailbox column combines modern design with the highest functionality, featuring no visible lock and an elegant inscription for house number and name. Manufactured from the finest materials and powder-coated, this mailbox not only provides a stylish focal point for your home but also delivers long-lasting quality. The clear design language and precise workmanship make the BRENTANO® mailbox a timeless solution for the highest demands. Thanks to its robust construction it is particularly weather-resistant and reliably protects your post. Ideal for those who value a perfect interplay of design and function.

The generous dimensions of the BRENTANO® design mailbox provide a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without folding – even after several days away. The top insertion ensures comfortable handling. In addition, the mailbox is equipped with dampers that ensure the insertion flap closes gently and quietly. The innovative Push-Key lock, invisibly integrated inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the retrieval door prevents your mail from falling out when opened. Manufactured from stainless steel, galvanised steel and aluminium, and additionally powder-coated, this mailbox column is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, exclusively available from Briefkasten Manufaktur Lippe, allows particularly simple handling: you can open the mailbox, remove the post and close it again using only one hand. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation provides a real added value.

Thanks to the design, self-assembly is straightforward.

- High-quality manufactured mailbox column, powder-coated in your chosen colour.
- Quality manufacturing - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking without turning the key.
- Mailbox body made from 1.5 mm galvanised steel.
- Retrieval door made of stainless steel V2A 1.4301 with opening limiter; opens downwards. The retaining plate prevents your mail from falling out.
- Top insertion.
- Insertion flap with opening limiter. High-quality dampers also ensure the flap closes quietly and gently.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 in landscape orientation; large letters also fit in without folding.
- Includes self-adhesive and engravable nameplate.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. On dark surfaces the powder coating is precisely removed so that the brushed stainless steel becomes visible as a high-quality base. On light surfaces the engraving appears in a subtle dark grey.
- Mailbox column made from 3 mm aluminium AlMg3 W19 with a 3 mm base plate of stainless steel V2A 1.4301 for screw mounting.

Important information:

To achieve optimal water protection for your mail, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water if it is placed entirely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This unit is protected against water ingress in accordance with DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Material	Steel, galvanised, Aluminium AlMg3 W19, Stainless steel V2A 1.4301
