Mailbox BRENTANO® - Design Elegance 3 - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | without newspaper compartment

Product number 803-7016E3-AP

Product description

Mailbox BRENTANO® - Design Elegance 3 - RAL 7016 anthracite grey

The BRENTANO® mailbox combines modern design with maximum functionality without a visible lock and a slim stainless steel trim including name inscription in grey. Made from high-quality materials and powder-coated, this mailbox not only provides a stylish focal point for your home but also durable quality. The clear design language and precise workmanship make the BRENTANO® mailbox a timeless solution for the highest demands. Thanks to its robust construction it is particularly weather-resistant and reliably protects your post. Ideal for those who value a perfect interplay of design and function.

The generous dimensions of the BRENTANO® Design mailbox provide a capacity of approximately 20 litres, allowing larger items such as DIN C4 envelopes or magazines to be received without creasing – even after several days away. Top entry ensures comfortable handling. In addition, the mailbox is equipped with dampers that ensure a soft and quiet closing of the entry flap. The innovative Push-Key lock, which is concealed inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the access door prevents your post from falling out when opened. Made from stainless steel, galvanised steel and additionally powder-coated, this mailbox is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows especially simple handling: with just one hand you can open the mailbox, remove the post and close it again. Protected by a utility model (DPMA file number DE: 20 2021 101 679.5), this innovation provides real added value.

Thanks to its construction, self-assembly is straightforward.

- High-quality surface-mounted mailbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacture - Made in Germany
- Design Elegance 3: slim 20 mm stainless steel trim, brushed to 240 grit.
- Innovative Push-Key lock including 2 keys with key number. Convenient locking without using the key.
- Mailbox body made of 1.5 mm galvanised steel.
- Access door made of 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retention plate prevents your post from falling out.
- Top entry.
- The entry flap has an opening limiter that prevents it from contacting the wall. High-quality dampers ensure the flap closes quietly and gently.
- The mailbox complies with DIN/EN 13724. Entry size (3.5 cm x 36.0 cm) for C4 landscape; large letters also fit in without folding.
- Individual UV- and weather-resistant laser engraving.
- For surface wall mounting, including mounting screws and spacers.

Important information:

To achieve optimal water protection for your post, the mailbox or mailbox system should, if possible, be located under a canopy.

Post is only protected from water when it is placed completely inside the box and the entry flap is closed. Post that is not fully inserted allows moisture and dirt to enter the mailbox. This unit is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
