Product number 382XU-3-SP-L-100

Product description

3er 2x2 Stainless Steel Flush-Mounted Letterbox System BASIC Plus 382XU UP - RAL Colour of Choice - 3 Households

Modern flush-mounted letterbox for 3 households - made in Germany by Briefkasten Manufaktur.

The letterbox is made entirely of V2A stainless steel, powder-coated in RAL colour. The very high-quality finish and the well thought-out concept make this flush-mounted letterbox one of our top sellers. A rain drainage edge for optimal water protection, a continuous rubber lip for quiet posting, the sturdy interchangeable nameplate, a practical mail retention bracket and the very robust lock distinguish this flush-mounted letterbox. The flush-mounted frame made of V2A stainless steel is equipped with a foam rubber seal and guarantees very high durability.

The letterbox systems of the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is very high longevity and sustainability. The construction has been developed by our own engineers with regard to high flexibility/modularity, easy spare-part assembly and straightforward self-installation. Spare parts are directly available for all BASIC Plus systems.

- **3-compartment flush-mounted letterbox system completely made of V2A stainless steel 1.4301, powder-coated in RAL colour**
- The system is manufactured at Briefkasten Manufaktur. German quality production "Made in Germany".
- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape; large letters also fit in here without being folded.
- Letter flap with noise-damping rubber seal for very quiet posting of mail.
- The door opens from left to right.
- Includes 2 keys with key number, interchangeable nameplate (type 2) under the letter flap and mail retention bracket.
- Large capacity thanks to optional letterbox depth +50 mm = approx. 17 litres. Suitable for businesses and households with very high mail volumes.
- **Doorbell box made of V2A stainless steel 1.4301, powder-coated in RAL colour, fine-textured matt finish**
- Speaker cut-out with universal adapter. (Intercom/talk-back system/embedded speaker not included). Optionally also available without speaker cut-out.
- The universal adapter is suitable for all common built-in speakers (Siedle, Ritto, TCS, Busch-Jäger, Gira, Legrand Bticino, ELCOM, Auerswald, Comelit etc.).
- 3x round stainless-steel doorbell push buttons Type: Grothe Protact, max. 24 V AC/DC, 1.5 A, IP54 (push-force limitation).
- Anti-vandalism - The nameplate (type 1) is impact-resistant and shatterproof; the plastic is flame-retardant.
- Plaster cover frame made of stainless-steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. For planning, installation and commissioning, please contact the electrician of your choice.

Protection against water

Mail is protected against moisture and dirt only when fully inserted and the flap is closed. Under certain extreme weather conditions water may still enter (according to DIN EN 13724 up to 1 cm^3). This does not constitute grounds for complaint.
