# Designer freestanding letterbox BRENTANO® ST-R - RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt

**Product number** 803-7016-STR

## Product description

## Design freestanding mailbox BRENTANO® ST-R with newspaper compartment - RAL 7016 anthracite grey

The BRENTANO® mailbox with elegant round-tube stand elements and an invisible lock combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it convinces not only as a stylish design element for your home but also through its durability. The clean lines and careful workmanship make the BRENTANO® mailbox the ideal choice for the highest design standards. Thanks to its robust construction, it is particularly weather-resistant and ensures reliable protection for your mail. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design mailbox provide a capacity of approx. 20 litres, allowing even larger items such as C4 envelopes or magazines to be received without creasing – even after several days away. The top insertion ensures comfortable handling. In addition, the mailbox is equipped with dampers that ensure a smooth and quiet closing of the insertion flap. The innovative Push-Key lock, concealed invisibly inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the retrieval door prevents your mail from falling out when opened. Made from stainless steel, as well as galvanised steel and additionally powder-coated, this mailbox is particularly durable and of high-quality workmanship.

The unique one-hand operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly easy handling: you can open the mailbox, remove the mail and close it again using only one hand. Protected by a utility model (DPMA file reference DE: 20 2021 101 679.5), this innovation offers real added value.

Thanks to the design, self-assembly is uncomplicated.

- High-quality freestanding mailbox, powder-coated in RAL 7016 anthracite grey.
- Quality manufacturing – Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Convenient locking without using the key.
- Mailbox body made of 1.5 mm galvanised steel.
- Retrieval door made of 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your mail from falling out towards you.
- Insertion is from above, and the flap is equipped with an opening limiter and high-quality dampers that enable noiseless closing.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit without creasing.
- Optional newspaper compartment, rear (W x H x D 400 x 200 x 50 mm) made of stainless steel, powder-coated. Open on both sides.
- Including self-adhesive, engravable nameplate.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. For dark surfaces, the powder coating is precisely removed so that the brushed stainless steel is visible as a high-quality base. For light surfaces, the engraving appears in a subtle dark grey.
- The support posts are made of 60.3 mm stainless steel V2A 1.4301, brushed, for bolted mounting or for concrete installation.

**Important information:**

To achieve optimal protection of your mail from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is only protected from water when it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This unit is protected against water ingress according to DIN EN 13724. Water ingress does not constitute grounds for a complaint.

## Product properties

| | |
|---|---|
| **Material** | Steel, galvanised, Stainless steel V2A 1.4301 |
