Designer surface-mounted letterbox GOETHE AP with newspaper compartment - RAL colour of your choice | 100mm depth

Product number 215-AP-ZF-1-100

Product description

Design surface-mounted mailbox GOETHE AP with newspaper compartment - RAL of your choice

The modern surface-mounted mailbox GOETHE is ideal for a discerning entrance area. The clean-lined design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the single box provide a capacity of approximately 16 or 32 litres; the large slot ensures that DIN C4 envelopes and magazines — or post accumulated during multi-day absences — remain uncreased. The innovative Push-Key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. Due to the lock arrangement, this mailbox is designed so that the collection door prevents the post from falling out towards you. The water runoff edge optimally protects the mail inside from the weather. The insertion flap is equipped with high-quality hinge dampers, ensuring a quiet closing and preventing disruptive rattling caused by weather conditions.

The newspaper compartment is particularly convenient because the newspaper can be inserted completely. This keeps the newspaper protected from the weather and crease-free. To retrieve it, simply open the flap upwards and remove the newspaper easily.

The surface-mounted mailbox systems of the GOETHE collection are distinguished by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility/modularity, easy spare-part assembly and straightforward self-assembly. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the construction, self-assembly is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- High-quality surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailbox (BH 400x400 mm) made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in a RAL colour of your choice.
- Innovative Push-Key lock with 2 keys.
- Mail insertion and collection are from the front. Insertion flap with high-quality hinge dampers for very quiet mail insertion.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large envelopes fit without bending.
- The collection door opens from top to bottom, preventing your post from falling out towards you.
- Optional name inscription approx. 15–20 mm high.
- Optional house number inscription approx. 70–80 mm high.
- Newspaper compartment (BH 400x200 mm) made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in a RAL colour of your choice with stainless steel laser inscription "ZEITUNG" (font ARIAL; if name/house number, then in your chosen font).
- Newspaper compartment opens from bottom to top.
- Optimal protection from rain thanks to rain runoff edges and a rain hood made of 3 mm aluminium AlMg3 W19, powder-coated in a RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in a RAL colour of your choice.
- Includes mounting rail for wall mounting.

Important information:

To achieve optimal water protection for your post, the mailbox or mailbox system should, if possible, be situated under an overhang.

Mail is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a valid reason for a complaint.
