# 9-unit 5x2 designer surface-mounted mailbox system GOETHE AP - RAL colour of your choice | 100mm depth | with 9 mailboxes

**Product number** 215-AP-9-100

## Product description

## 9-unit 5x2 design surface-mounted mailbox system GOETHE AP - RAL of your choice

High-quality manufactured 9-party surface-mounted mailbox system. The modern mailbox GOETHE is ideal for demanding entrance areas. The straight-lined design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual boxes allow a capacity of approx. 16 litres; the large insertion slot guarantees that even DIN C4 envelopes and magazines — or mail after several days' absence — do not arrive crumpled. The innovative push-key lock is concealed unseen inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. With the lock arrangement, this mailbox is designed so that the collection door prevents your mail from falling out. Thanks to the water runoff edge, the mail inside is optimally protected from the weather. The insertion flap is fitted with high-quality hinge dampers, ensuring a quiet closing and preventing annoying rattling due to weather influences. The replaceable nameplates made of Plexiglas can be conveniently operated from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is equipped with the 'Advertising Yes/No' insert.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility/modularity, easy spare-parts assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is uncomplicated.

**Protected utility model according to DPMA file number DE: 20 2021 101 679.5**

- High-quality 9-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative push-key lock with 2 keys per unit.
- Letter insertion and retrieval are from the front. Insertion flap with high-quality hinge dampers for very quiet mail insertion.
- The mailboxes comply with DIN EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit in without folding.
- Collection doors open from top to bottom; this prevents your mail from falling out.
- Nameplate made of Plexiglas for name labelling and a second nameplate 'Advertising Yes/No' per unit.
- Optional house number labelling approx. 100–150 mm high.
- Optimal rain protection through rain runoff edges and a rain hood made from 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Includes mounting rail for wall installation.

**Important information:**

To achieve optimal water protection for your mail, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail items are protected from water only if they are placed completely inside the box and the insertion flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not grounds for a complaint.

## Product properties

| | |
|---|---|
| **Surface/colour** | RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white |
