Product description

AVANTGARDE letterbox cover for BASIC 862B - self-adhesive - 400x140 - polished stainless steel

The AVANTGARDE covers made of 1.5 mm polished stainless steel are an attractive letterbox decoration and very easy to retrofit. The design panels can be individually labelled by you. Your house number, name or any other lettering is possible in many fonts and sizes. The lettering is applied directly to the stainless steel using a modern fibre laser in a grey font colour, making the lettering very durable. Stainless steel blends in elegantly with other materials and greatly enhances their appearance. This cover is made of stainless steel and is therefore particularly corrosion-resistant, rust-free, easy to clean, very stable and durable. This high-quality letterbox accessory is suitable for all letterbox models BASIC 862B and many more, but also makes your old letterbox look like new.

Installation on smooth or finely textured surfaces is easy with the adhesive dots supplied.
