5-unit 3x2 design surface-mounted mailbox system GOETHE AP - RAL colour of your choice | 100mm depth | with 5 mailboxes

Product number 215-AP-5

Product description

5-unit 3x2 design surface-mounted mailbox system GOETHE AP - RAL of your choice

High-quality 5-unit surface-mounted mailbox system. The modern GOETHE mailbox is ideal for a sophisticated entrance area. The clean, linear design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the individual boxes provide a capacity of approx. 16 litres; the large insertion opening ensures that DIN C4 envelopes and magazines, or mail accumulated during several days' absence, are not creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. With the placement of the lock this mailbox is designed so that the collection door prevents your mail from falling out. The internal mail is optimally protected from the weather by the water runoff edge. The letter flap is equipped with high-quality hinge dampers, ensuring quiet closing and preventing annoying rattling caused by weather. The interchangeable nameplates made of Plexiglas can be conveniently accessed from the front; for an optimal appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate features an insert for advertising Yes/No.

The surface-mounted mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is uncomplicated.

Registered utility model according to DPMA file number DE: 20 2021 101 679.5

- High-quality 5-unit surface-mounted mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailboxes made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL of your choice.
- Innovative push-key lock with 2 keys per unit.
- Mail insertion and retrieval are from the front. Letter flap with high-quality hinge dampers for very quiet insertion of mail.
- The mailboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape; large envelopes fit without being folded.
- Collection doors open from top to bottom, preventing your mail from falling out.
- Plexiglas nameplate for name labelling and a second nameplate with advertising Yes/No insert per unit.
- Optional house number labelling approx. 100–150 mm high.
- Optimal protection from rain thanks to drip edges and a rain canopy made of 3 mm aluminium AlMg3 W19, powder-coated in RAL of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL of your choice.
- Incl. mounting rail for wall mounting.

Important information:

To achieve optimal protection of your mail from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail items are only protected from water when they are placed completely inside the box and the letter flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against ingress of water according to DIN EN 13724. Water ingress is not valid grounds for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
