Product number 789-PIKTO-PK-7016

Product description

Self-adhesive pictogram "PAKET" - RAL 7016 anthracite grey

The self-adhesive pictogram “PAKET”, made from powder-coated stainless steel, is the ideal addition to parcel compartment systems and provides a clear, durable labelling of the parcel compartments. The finely brushed surface with 240-grit gives the sign a modern, high-quality appearance – perfectly matched to our letterbox and parcel compartment systems. The pictogram is self-adhesive and can be applied to smooth surfaces easily, quickly and permanently – without drilling or screws. The high-quality adhesive backing guarantees a firm hold – even with prolonged outdoor use.

A key advantage: the language-independent pictogram is universally understood by couriers and users, regardless of their native language. This ensures clear and intuitive use of the parcel compartments – even in residential complexes with international residents or with changing delivery services. Ideally suited to all parcel compartment systems from Briefkasten Manufaktur – for clear, professional labelling with durable "Made in Germany" quality.

- Pictogram "PAKET" made from stainless steel 1.4301 V2A, powder-coated in RAL 7016 anthracite grey, fine-textured matt finish.
- Self-adhesive for smooth surfaces.
- Suitable for our parcel compartment systems.
