Designer flush-mounted mailbox GOETHE UP with stainless steel trim - RAL colour of your choice | 100mm depth

Product number 215-UP-E1-100

Product description

Design flush-mounted mailbox GOETHE UP with stainless steel appliqué - RAL colour of your choice

The modern flush-mounted mailbox GOETHE with stainless steel appliqué (replaceable) is ideal for an upscale entrance area. The linear design without a visible lock gives this mailbox a particularly elegant appearance.

The dimensions of the single box allow a capacity of approx. 16 or 32 litres; the large slot ensures that DIN C4 envelopes and magazines — or post accumulated during several days of absence — are not creased. The innovative push-key lock is concealed inside the mailbox. The key is simply inserted into the existing opening (no turning necessary) and the door opens. The positioning of the lock means the retrieval door prevents your mail from falling out towards you. The water runoff edge optimally protects the mail inside from the elements. The insert flap is fitted with high-quality pivot dampers, ensuring quiet closing and preventing annoying rattling caused by the weather.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel. The result is very high durability and sustainability. The construction has been developed by our own engineers with a view to high flexibility and modularity, easy spare-part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the construction method, self-installation is straightforward.

Protected utility model under DPMA file number DE: 20 2021 101 679.5

- Flush-mounted mailbox made entirely of stainless steel.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailbox (400 x 400 mm) made of stainless steel 1.4016 (corrosion-resistant magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative push-key lock with 2 keys.
- Letters are inserted and retrieved from the front. Insert flap with high-quality pivot dampers for very quiet mail insertion.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape — large letters also fit without folding.
- The retrieval door opens from top to bottom, preventing your mail from falling out towards you.
- Replaceable appliqué made of stainless steel V2A 1.4301, 240-grit brushed finish.
- Optional name inscription approx. 10–25 mm high.
- Optional house number inscription approx. 35 mm high.
- Plaster cover frame made of stainless steel angle profile 25 x 58 mm, powder-coated in RAL colour.

Important information:

For optimal water protection of your mail, the mailbox or mailbox system should, if possible, be located under a canopy.

Mail is only protected from water if it is placed fully inside the box and the insert flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a valid reason for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), Brushed, RAL 9007 grey aluminium, RAL 9016 traffic white
