Designer freestanding mailbox GOETHE ST-R with newspaper compartment - RAL colour of your choice

Product number 215-STR-1-ZF

Product description

Designer freestanding mailbox GOETHE ST-R with newspaper compartment - RAL colour of your choice

High-quality manufactured freestanding mailbox with newspaper compartment and elegant round-tube support elements. The modern GOETHE mailbox is ideal for a sophisticated entrance area. The straightforward design without a visible lock gives this mailbox an especially elegant appearance.

The dimensions of the single compartment provide a capacity of approx. 16 litres; the large slot ensures that even DIN-C4 envelopes and magazines — or post accumulated during several days of absence — are not creased. The innovative push-key lock is hidden inconspicuously inside the mailbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The position of the lock is designed so that the retrieval door prevents your post from falling out towards you. Thanks to the water drip edge, the internal mail is optimally protected from the weather. The insertion flap is fitted with high-quality axle dampers, ensuring quiet closing and preventing annoying rattling caused by weather conditions.

The mailbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare part assembly and straightforward self-installation. Spare parts for all GOETHE systems are available directly in our shop.

Thanks to the design, self-installation is straightforward.

Protected utility model according to DPMA file number DE: 20 2021 101 679.5

- Freestanding mailbox made of stainless steel and aluminium.
- Quality manufacturing - Made in Germany by Briefkasten Manufaktur Lippe.
- Mailbox (BH 400x400mm) made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice.
- Innovative push-key lock with 2 keys.
- Mail insertion and retrieval are from the front. Insertion flap with high-quality axle dampers for very quiet mail insertion.
- The mailbox complies with DIN/EN 13724. Slot size (3.5 cm x 36.0 cm) for C4 landscape; large letters fit in without bending.
- The retrieval door opens from top to bottom, preventing your post from falling out towards you.
- Newspaper compartment (BH 400x200mm) made of stainless steel 1.4016 (non-rusting magnetic stainless steel), powder-coated in RAL colour of your choice with stainless steel laser inscription "NEWSPAPER" (font ARIAL; if name/house number, then in your selected font).
- Newspaper compartment opens from bottom to top.
- Optional name inscription approx. 15–20 mm high.
- Optional house number inscription approx. 70–80 mm high.
- Optimal protection from rain thanks to rain runoff edges and a canopy made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Rear wall of 1 mm stainless steel V2A 1.4301, powder-coated in RAL colour of your choice.
- The support posts consist of 60.3 mm stainless steel V2A 1.4301, brushed, for screw mounting or embedding in concrete.

Important information:

To achieve optimal protection of your mail from water, the mailbox or mailbox system should, where possible, be located under a canopy.

Mail is protected from water only if it is placed completely inside the compartment and the insertion flap is closed. Mail that is not fully pushed in permits the ingress of moisture and dirt into the mailbox. This system is protected against water ingress in accordance with DIN EN 13724. Water ingress is not a reason for complaint.
