Surface-mounted mailbox system STORM for 4 households – 2-column – RAL 7016 anthracite grey | RAL 7016 Anthracite grey, fine texture, matt | with 4 mailboxes (2x2)

Product number 480A-4-2X2-7016

Product description

Surface-mounted mailbox system STORM for 4 units – RAL 7016 Anthracite Grey

Four individually lockable mailboxes make this STORM surface-mounted system a high-quality, everyday solution for smaller apartment buildings with four residential units. The system combines a clear architecture with durable materials and user-friendly operation for residents and delivery personnel.

Mailboxes, rain canopy and side panels are manufactured from high-quality processed galvanised steel. The complete visible system is powder-coated in RAL 7016 Anthracite Grey fine-textured matt, giving it a particularly high-quality, calm and uniform appearance.

Each of the 4 mailboxes features a 35 × 340 mm entry slot for DIN C4 landscape, a noise-dampening flap with high-quality rubber buffers and a downward-opening retrieval door with an opening stop. Mail retention brackets, individual locks and protected replaceable nameplates ensure clear allocation and comfortable use.

The advantages of the STORM surface-mounted mailbox system at a glance

Ideal for smaller apartment buildings

Four individually lockable mailboxes make this STORM surface-mounted system a high-quality, everyday solution for smaller apartment buildings with four residential units. The system combines a clear architecture with durable materials and user-friendly operation for residents and delivery personnel.

High-quality construction from galvanised steel

Mailboxes, rain canopy and side panels are made from galvanised steel. The robust material base is designed for long-term use in entrance areas and gives the STORM system a solid, premium construction.

RAL 7016 Anthracite Grey – fine-textured matt

The entire visible system is uniformly powder-coated in RAL 7016 Anthracite Grey fine-textured matt. The finely textured, matt surface looks high-quality and modern and pairs particularly well with contemporary façades, doors and window profiles.

Comfortable insertion of DIN C4 post

The 35 × 340 mm entry slots are designed for DIN C4 letter items in landscape format. Larger envelopes can also be inserted without folding.

Well thought-out everyday comfort

Noise-dampening rubber buffers, downward-opening retrieval doors with opening stops and integrated mail retention brackets make daily use pleasant. Individual locks and protected replaceable nameplates ensure clear allocation.

Equipment of the STORM surface-mounted mailbox system

Construction and surface

Configuration 2 columns × 2 rows
Mailboxes 4 individually lockable mailboxes
Mailbox material Galvanised steel
Rain canopy and side cladding Galvanised steel
Surface RAL 7016 Anthracite Grey fine-textured matt
Standard Mailboxes compliant with DIN EN 13724

Mail convenience

Entry slot 35 × 340 mm per mailbox, suitable for DIN C4 landscape
Flaps With high-quality, noise-dampening rubber buffers
Mail retrieval Front access, door opens downward with opening stop
Mail retention bracket Integrated in each mailbox
Keys 8 keys in total, 2 per mailbox
Nameplates 4 protected replaceable nameplates, one per unit

Installation and manufacture

Mounting type Surface-mounted wall installation
Mounting screws Included in the delivery
Intended use Ideal for smaller apartment buildings
Manufacture Made in Germany by Briefkasten Manufaktur Lippe

Note on weather protection

For optimal protection of delivered post, we recommend installation under a porch or in a sheltered entrance area. Letter items must be fully inserted so that the entry flaps can close completely.

Note on wall installation

Before installation, the load-bearing capacity and condition of the wall must be checked. Depending on masonry, concrete or façade construction, additional wall plugs or special fixing systems may be required. The supplied mounting screws should be used in accordance with the specific installation situation or professionally supplemented as necessary.

Product properties

Material	Steel, galvanised
Series	STORM
Boxes by volume	Normal > 10 litres
Number of boxes	with 4 letterboxes
House number	House number as laser engraving
Surface/colour	RAL 7016 anthracite grey
Name labelling	Laser-engraved
Removal of mail	On the front
Mounting type	Surface-mounted
