3-unit (3x1) designer free-standing mailbox GOETHE ST-Q - RAL colour of your choice | 100mm depth | with 3 mailboxes (3x1)

Product number 215-STQ-3

Product description

3-unit 3x1 design freestanding letterbox GOETHE ST-Q - RAL colour of your choice

High-quality 3-unit freestanding letterbox with elegant rectangular stand elements. The modern GOETHE letterbox is ideal for discerning entrance areas. The clean-lined design without a visible lock gives this letterbox a particularly elegant appearance.

The dimensions of the individual compartments provide a capacity of approx. 16 litres; the large insertion slot ensures that C4 envelopes and magazines — or mail after several days' absence — do not become crumpled. The innovative Push-Key lock is concealed inside the letterbox. The key is simply inserted into the existing opening (no turning required) and the door opens. The lock arrangement is designed so that the collection door prevents the post from falling out towards you. Thanks to the water runoff edge, the mail inside is optimally protected from the weather. The insertion flap is equipped with high-quality hinge dampers, ensuring quiet closing and preventing any annoying rattling due to weather. The replaceable nameplates made of Plexiglas can be conveniently accessed from the front; for optimum appearance we recommend the flush-mounted nameplate with laser engraving (see Accessories). The second nameplate is fitted with an Advertising Yes/No insert.

The letterbox systems of the GOETHE collection are characterised by the consistent use of stainless steel and aluminium. The result is very high durability and sustainability. The construction has been developed by our own engineers with a focus on high flexibility and modularity, easy spare-part installation and straightforward self-assembly. Spare parts for all GOETHE systems are available directly from our shop.

Thanks to the design, self-assembly is straightforward.

Protected utility model according to DPMA file reference DE: 20 2021 101 679.5

- 3-unit freestanding letterbox made of stainless steel and aluminium.
- Letterboxes made of stainless steel 1.4016 (rust-resistant magnetic stainless steel), powder-coated in RAL colour of your choice.
- Quality manufacture - Made in Germany by Briefkasten Manufaktur Lippe.
- Innovative Push-Key lock with 2 keys per unit.
- Letters are inserted and removed from the front. Insertion flap with high-quality hinge dampers for very quiet insertion of post.
- The letterboxes comply with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 in landscape orientation — large letters fit without bending.
- Collection doors open from top to bottom. This prevents the post from falling out towards you.
- Plexiglas nameplate for name labelling and a second nameplate with Advertising "Yes/No" per unit.
- Optimal protection against rain thanks to rain runoff edges and a rain canopy made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Side cladding made of 3 mm aluminium AlMg3 W19, powder-coated in RAL colour of your choice.
- Rear panel made of 1 mm stainless steel V2A 1.4301, powder-coated in RAL colour of your choice.
- The W 40 mm x D 80 mm stand posts are made of 2 mm stainless steel V2A 1.4301, powder-coated in RAL colour for concreting in or for screw mounting.

Important information:

To achieve optimal water protection for your post, the letterbox or letterbox system should, where possible, be located under a canopy.

Post is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted post allows moisture and dirt to enter the letterbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a reason for complaint.

Product properties

Surface/colour	RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
