Design stool - side table NOVALIS - polished stainless steel - Douglas fir oiled | Stainless steel, brushed

Product number 522HB-VALAE-VA

Product description

Design stool - side table NOVALIS - stainless steel - Douglas fir oiled

The NOVALIS stool is modern and full of character and is ideal for unprotected outdoor areas. With a smart tray (see accessories), it can be transformed into a side table in no time at all. This stool is part of our NOVALIS outdoor collection, which effectively sets the scene with its innovative design. With its combination of stainless steel and Douglas fir wood as well as its linear shape, the stool represents design in a class of its own. This stool is 100% handmade by Briefkasten Manufaktur.

The side sections made of 8 mm thick stainless steel plates are a particularly striking feature of the Briefkasten Manufaktur stool. The 60 x 40 mm seat planks are made from local Douglas fir wood, but are also available in walnut, oak or FSC® 100%-certified hardwood on request at an extra charge. Our wood with the FSC seal is produced with ecological and sustainable aspects in mind and the entire value chain is subject to a review. Ask us about it.

- Design stool made of stainless steel V2A 1.4301 and Douglas fir wood.
- Handcrafted - Made in Germany.
- Side parts made of 8 mm stainless steel V2A 1.4301, 240 grain polished or powder-coated in RAL colour.
- Seat planks made of weather-resistant Douglas fir wood, oiled 60 x 40 mm.
- **Douglas fir wood is particularly suitable for outdoor use.** It does not soften when it rains and is also extremely resistant to chemicals, which makes cleaning much easier. Douglas fir has a reddish to reddish-brown colour. Douglas fir wood develops a silver-grey patina when exposed to the elements.
- Side sections with foot plates for screw mounting or with adjustable feet for free-standing mounting.
