Stainless steel design fence letterbox DESIGNER Style BIG - rear removal

Product number 523BR

Product description

Stainless steel design fence letterbox DESIGNER Style BIG

High-quality stainless steel letterbox from Briefkasten Manufaktur in an extra-large format. A real eye-catcher among the letterboxes. Clear lines and a no-frills design characterise this designer letterbox. The post is inserted at the front and residents can remove their mail from the back. Our products have a high quality, reliable functionality and their own identity. Made by Briefkasten Manufaktur.

- Designer stainless steel fence letterbox made from 2 mm V2A stainless steel, polished.
- No visible screws or rivets.
- Rear mail removal door 240 mm x 300 mm, opens from top to bottom. Incl. 2 keys with key number.
- Mail slot from the front, dimensions: W 35 cm x H 6.3 cm, C4 landscape. Very large letters fit in here without creasing. Attention no removal protection!
- **Now with built-in damping elements that allow the flap to close slowly and quietly.**
- Front panel dimensions: W 45 cm x H 55 cm x D 0.2 cm. ATTENTION the front panel protrudes 2 cm all round.
- Rear frame dimensions: H 510 mm x W 410 x D 100 without perforation. The holes for fastening must be made on site.
- Optional name lettering, lasered approx. 10 mm high.
- Optional house number labelling, lasered approx. 100 mm high.
- Water protection plate inside. Close-fitting rain screen enclosed.
- Body without fixing holes (must be provided on site!), optionally with fixing for picket fence.
- Incl. maintenance cloths and assembly aid.

Water protection

To achieve optimum water protection for your mail, the letterbox or letterbox system should be located under a canopy if possible.

Briefkasten Manufaktur Lippe GmbH
Werler Straße 60
32105 Bad Salzuflen

The mail is only protected from water if it is fully inserted in the box and the flap is closed. Mail that is not fully inserted allows moisture and dirt to penetrate the letterbox. It is therefore necessary to plan sufficiently dimensioned letterboxes for the upcoming requirements. This system is protected against the ingress of water in accordance with DIN EN 13724. Water ingress is not a reason for complaint.

Product properties
