1 surface-mounted letterbox Design BASIC Plus 382XA AP with bell box & newspaper compartment - RAL of your choice | ? Colour of your choice

Product number 382XA-1-SP-ZF

Product description

1-piece stainless steel surface-mounted letterbox design BASIC Plus 382XA AP with bell box & newspaper compartment - RAL of your choice

High-quality surface-mounted letterbox with newspaper compartment for 1 party made in Germany by Briefkasten Manufaktur.

The letterbox is made entirely of stainless steel V2A, powder-coated in RAL colour. The very high-quality workmanship and the well thought-out concept make this letter box our top seller. A rain drainage edge for optimum water protection, a continuous rubber lip for quiet insertion, the solid interchangeable nameplate, a practical post holder and the very robust lock characterise this surface-mounted letterbox.

The letterbox systems in the BASIC Plus collection are characterised by the consistent use of V2A stainless steel. The result is a very long service life and sustainability. The design has been developed by our own engineers with a view to high flexibility and modularity, simple spare parts assembly and uncomplicated self-assembly. Spare parts are directly available for all BASIC Plus systems.

- **Surface-mounted letterbox made of V2A stainless steel, powder-coated in RAL colour**
- The letterbox is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The letter box complies with DIN/EN 13724. Insertion size (3.5 cm x 32.5 cm) for C4 landscape, large letters also fit in here without creasing.
- Insertion flap with sound-absorbing rubber seal for very quiet insertion of mail.
- The door can be opened from left to right.
- Incl. 2 keys with key number, changeable name plate under the flap and post holder for each letterbox.
- Incl. side cladding + rain cover made of V2A stainless steel, powder-coated in RAL colour.
- Newspaper compartment, open on both sides, made of V2A stainless steel, powder-coated in RAL colour. Dimensions: 355x100x100mm
- Optional house number labelling, lasered approx. 80-100mm high.
- **Intercom bell part made of V2A stainless steel, powder-coated in RAL colour**
- Speech perforation with universal adapter. (Intercom system/ built-in loudspeaker not included in scope of delivery). Also available without speech perforation.
- Universal adapter is suitable for all commercially available built-in loudspeakers (Siedle, Ritto, TCS, Busch-Jäger, Gira, Legrand Bticino, ELCOM, Auerswald, Comelit and many more).
- Round stainless steel bell push button type: Grothe Protact, max. 24 V AC/DC, 1.5 A, IP 54 (pressure force limitation).
- Anti-vandalism - The nameplate is indentation-proof and impact-resistant, the plastic is flame-retardant.
- For wall mounting incl. fixing material (screws + plugs). For fence mounting, also available without perforation on the back (perforation must be provided by the customer).

Important information

Camera or intercom preparation

The intercom systems must be connected by an electrician. Please contact your trusted electrician for planning, fitting and installation.

Water protection

The mail is only protected against moisture and dirt when it is fully inserted and the flap is closed. Under certain extreme weather conditions, water may still enter (up to 1ccm according to DIN EN 13724). This is not a reason for complaint.
