Set of 8 stainless steel V4A bolt anchors BZ plus A4, M10, total length 110mm | 8-compartment

Product number 698-8-M10

Product description

Set of 8 stainless steel V4A Wedge anchor BZ plus A4, M10, total length 110mm

The bolt anchor BZ plus with European Technical Assessment is used for a wide range of applications due to its performance and its quick and easy installation. The two approved anchoring depths of the bolt anchor BZ plus, in conjunction with the long thread, enable flexible use, whereby the reduced anchoring depth saves time when drilling and reduces the installation effort. There is also no need to blow out the drill hole when using a suction drill.

- 8 bolt anchors BZ plus A4
- M10x40
- for drill hole 10x75, t fix 20mm
- length 110mm
- Approved for cracked and non-cracked concrete
- The BZ plus is fire protection tested
