# Mailbox BRENTANO® - Design Elegance 3 - RAL colour of your choice | without newspaper compartment | ? Colour of your choice

**Product number** 803-RALE3-AP

## Product description

### Mailbox BRENTANO® - Design Elegance 3 - RAL colour of your choice

The BRENTANO® mailbox combines modern design with maximum functionality without a visible lock and a slim stainless steel trim including name engraving in grey. Manufactured from high-quality materials and powder-coated, this mailbox not only provides an elegant focal point for your home but also long-lasting quality. The clear design language and precise workmanship make the BRENTANO® mailbox a timeless solution for the highest demands. Thanks to its robust construction it is particularly weather-resistant and reliably protects your mail. Ideal for anyone who values a perfect interplay of design and function.

The generous dimensions of the BRENTANO® Design mailbox allow a capacity of approx. 20 litres, so larger items such as DIN C4 envelopes or magazines can be received without bending – even after several days away. The top entry ensures comfortable handling. In addition, the mailbox is equipped with dampers that ensure a smooth and quiet closing of the entry flap. The innovative Push-Key lock, hidden unobtrusively inside, allows opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the collection door prevents your mail from falling out when opened. Manufactured from stainless steel as well as galvanised steel and additionally powder-coated, this mailbox is particularly durable and finished to a high standard.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly simple handling: you can open the mailbox, remove the mail and close it again using only one hand. Protected by a utility model (DPMA file reference DE: 20 2021 101 679.5), this innovation offers genuine added value.

Thanks to its design, self-installation is straightforward.

- High-quality surface-mounted mailbox, powder-coated.
- Quality manufacture – Made in Germany
- Design Elegance 3: slim 20 mm stainless steel trim, brushed with 240-grit finish.
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking without the key.
- Mailbox body made from 1.5 mm galvanised steel.
- Collection door made from 1.5 mm stainless steel V2A 1.4301 with opening restrictor, opens from top to bottom. The retaining plate prevents your mail from falling out.
- The mail is inserted from the top.
- The entry flap has an opening restrictor that prevents it from touching the building wall. High-quality dampers also ensure the flap closes quietly and smoothly.
- The mailbox complies with DIN/EN 13724. Entry size (3.5 cm x 36.0 cm) for C4 landscape – large envelopes fit in here without bending.
- Individual UV- and weather-resistant laser engraving.
- For surface-mounted wall installation; includes mounting screws and spacers.

**Important information:**

To achieve optimal water protection for your mail, the mailbox or mailbox system should, where possible, be positioned under a canopy.

Mail is protected from water only when it is placed completely inside the box and the entry flap is closed. Partially inserted mail allows moisture and dirt to enter the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not a valid basis for a complaint.

## Product properties

| | |
|---|---|
| **Material** | Steel, galvanised, Stainless steel V2A 1.4301 |
