High-quality surface-mounted mailbox for 18 units made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of V2A stainless steel, powder-coated in a RAL colour. The very high-quality workmanship and the well-thought-out concept make this mailbox system one of our best-sellers. A drip edge for optimal water protection, a continuous rubber lip for quiet mail insertion, the solid changeable nameplate, a practical mail-retention bracket and the very robust lock characterise this surface-mounted mailbox system.

Thanks to the design, self-installation is straightforward. The mailbox system is prepared for uncomplicated complete installation; no elaborate wall mounting of individual boxes is necessary.
