# Designer freestanding letterbox BRENTANO® ST-BP with newspaper compartment - RAL colour of your choice | ? Colour of your choice

**Product number** 803-RAL-ZF-STBP

## Product description

## Design freestanding mailbox BRENTANO® ST-BP with newspaper compartment - RAL colour of your choice

The BRENTANO® mailbox with an elegant rectangular tube stand element, integrated newspaper compartment and concealed lock combines modern design with first-class functionality. Manufactured from high-quality materials and powder-coated, it impresses not only as a stylish design element for your home but also with its durability. The clear lines and careful workmanship make the BRENTANO® mailbox the ideal choice for the highest design demands. Thanks to its robust construction it is particularly weather-resistant and ensures reliable protection for your post. Perfect for those who value design and function in harmonious balance.

The generous dimensions of the BRENTANO® design mailbox allow a capacity of approx. 20 litres, so larger items such as C4 envelopes or magazines can be received without creasing – even after several days away. The top insertion ensures comfortable handling. In addition, the mailbox is equipped with dampers that provide a smooth and quiet closing of the insertion flap. The innovative Push-Key lock, concealed invisibly inside, allows opening without turning the key – simply insert the key into the slot and the door opens effortlessly. The clever arrangement of the lock and the retrieval door prevents your post from falling out when opened. Made from stainless steel as well as galvanised steel and additionally powder-coated, this mailbox is particularly durable and of high-quality workmanship.

The unique one-handed operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows especially easy handling: you can open the mailbox, take out the post and close it again using only one hand. Protected by a utility model (DPMA file reference DE: 20 2021 101 679.5), this innovation offers a real added value.

Thanks to the design, self-assembly is uncomplicated.

- High-quality freestanding mailbox, powder-coated in RAL colour of your choice
- Quality manufacturing - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Comfortable locking without turning the key.
- Mailbox body made from 1.5 mm galvanised steel.
- Retrieval door made from 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The retaining plate prevents your post from falling out.
- Insertion is from the top, and the flap is equipped with an opening limiter and high-quality dampers that allow noiseless closing.
- The mailbox complies with DIN/EN 13724. Insertion size (3.5 cm x 36.0 cm) for C4 landscape, so large letters also fit without folding.
- Newspaper compartment (W x H 400 x 120 mm) made from 1.5 mm galvanised steel, powder-coated. Open on both sides.
- Includes self-adhesive, engravable nameplate.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. On dark surfaces the powder coating is precisely removed so that the brushed stainless steel appears as a high-quality base. On light surfaces the engraving appears in a subtle dark grey.
- The stand column consists of W 80 mm x D 40 mm stainless steel V2A 1.4301, powder-coated in RAL colour for bolt mounting or for setting in concrete.

**Important information:**

To achieve optimal water protection for your post, the mailbox or mailbox system should, if possible, be located under an overhang.

Post is only protected from water if it is placed completely inside the box and the insertion flap is closed. Partially inserted post allows the ingress of moisture and dirt into the mailbox. This system is protected against water ingress according to DIN EN 13724. Water ingress is not grounds for a complaint.

## Product properties

| | |
|---|---|
| **Material** | Steel, galvanised, Stainless steel V2A 1.4301 |
| **Surface/colour** | RAL 9005 deep black, RAL 3004 crimson red, DB 703 iron mica, RAL 7016 anthracite grey, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white |
