Stainless steel bicycle leaning bracket ACHIM with double crossbar - polished V2A stainless steel | 2x crossbars | Stainless steel, brushed

Product number 671-TRAV-VA

Product description

ACHIM stainless steel bicycle restraint with double crossbar - polished V2A stainless steel

The elegant ACHIM leaning bracket has an organic appearance thanks to its rounded shape, which fits into any modern environment. The lean-to bracket is made entirely from V2A .4301 polished stainless steel. The material and workmanship are characterised by the highest quality. Durable weather resistance and absolute robustness against high mechanical loads are a matter of course with this bicycle leaning bracket. In addition, the ACHIM leaning bracket makes it possible to park bicycles theft-proof, as all components are welded together.

- Bicycle leaning bracket made entirely of stainless steel V2A 1.4301, 240 grit polished.
- The leaning bracket is manufactured by Briefkasten Manufaktur. German quality production "Made in Germany".
- The uprights and crossbars are made of 60.3 mm stainless steel V2A 1.4301, 240 grit polished, either for screw mounting or for setting in concrete.

Product properties

Mounting type	Free-standing
Material	Stainless steel V2A 1.4301
Surface/colour	Brushed
