Product description

15-unit (5x3) stainless steel surface-mounted mailbox Design BASIC Plus 382XA AP - RAL colour of your choice

High-quality surface-mounted mailbox for 15 occupants made in Germany by Briefkasten Manufaktur.

The complete surface-mounted mailbox system is made of stainless steel V2A, powder-coated in a RAL colour. The very high-quality workmanship and the well thought-out concept make this mailbox system one of our top sellers. A rain drip edge for optimal protection against water, a continuous rubber lip for quiet insertion, the robust changeable nameplate, a practical mail retention bar and the very durable lock characterise this surface-mounted mailbox system.

Thanks to the construction method, self-assembly is straightforward. The mailbox system is prepared for easy complete installation; there is no need for complex wall mounting of individual boxes.
