Designer letterbox BRENTANO® - RAL colour of your choice | without newspaper compartment | ? Colour of your choice

Product number 803-RAL-AP

Product description

Designer mailbox BRENTANO® - RAL colour of your choice

The BRENTANO® mailbox combines modern design with maximum functionality, featuring a concealed lock and elegant name and house number labelling. Manufactured from high-quality materials and powder-coated, this mailbox not only provides a stylish focal point for your home but also long-lasting quality. The clear design language and precise workmanship make the BRENTANO® mailbox a timeless solution for the highest demands. Thanks to its robust construction it is particularly weather-resistant and reliably protects your mail. Ideal for anyone who values a perfect interplay of design and function.

The generous dimensions of the BRENTANO® designer mailbox allow for a capacity of approximately 20 litres, so larger items such as DIN C4 envelopes or magazines can be accepted without folding — even after several days away. Top entry ensures comfortable handling. In addition, the mailbox is equipped with dampers that provide a soft and quiet closing of the entry flap. The innovative Push-Key lock, concealed inside, enables opening without turning the key – simply insert the key into the opening and the door opens effortlessly. The clever arrangement of the lock and the retrieval door prevents your mail from falling out when opened. Made from stainless steel as well as galvanised steel and additionally powder-coated, this mailbox is particularly durable and finished to a high standard.

The unique one-hand operation concept with the Push-Key lock, available exclusively from Briefkasten Manufaktur Lippe, allows particularly easy handling: with just one hand you can open the mailbox, remove the mail and close it again. Protected by a registered utility model (DPMA file number DE: 20 2021 101 679.5), this innovation offers genuine added value.

Thanks to the design, self-installation is straightforward.

- High-quality surface-mounted mailbox, powder-coated.
- Quality manufacturing - Made in Germany
- Innovative Push-Key lock including 2 keys with key number. Convenient locking without turning the key.
- Mailbox body made from 1.5 mm galvanised steel.
- Retrieval door made from 1.5 mm stainless steel V2A 1.4301 with opening limiter, opens from top to bottom. The support plate prevents your mail from falling out.
- Top entry.
- The entry flap has an opening limiter to prevent it touching the house wall. High-quality dampers ensure the flap closes quietly and smoothly.
- The mailbox complies with DIN/EN 13724. Entry aperture (3.5 cm x 36.0 cm) for C4 landscape; large letters also fit without folding.
- Includes self-adhesive, engravable nameplate.
- Individual, UV- and weather-resistant laser engraving with an elegant contrast effect. On dark surfaces the powder coating is precisely removed so that the brushed stainless steel is visible as a high-quality base. On light surfaces the engraving appears in a subtle dark grey.
- For surface wall mounting, including mounting screws and spacers.

Important information:

To achieve optimal protection of your mail from water, the mailbox or mailbox system should, where possible, be located under an overhang.

Mail is only protected from water if it is placed entirely inside the box and the entry flap is closed. Mail that is not fully inserted allows the ingress of moisture and dirt into the mailbox. This unit is protected against water ingress in accordance with DIN EN 13724. Water ingress is not grounds for a complaint.

Product properties

Material	Steel, galvanised, Stainless steel V2A 1.4301
Surface/colour	RAL 9005 deep black, DB 703 iron mica, RAL of your choice (according to colour table), RAL 9007 grey aluminium, RAL 9016 traffic white
