Product number 789-PIKTO-PK-VA

Product description

Self-adhesive pictogram "PARCEL" - brushed stainless steel

The self-adhesive pictogram "PARCEL", made from high-quality stainless steel, is the ideal addition to parcel box systems and ensures clear, permanent labelling of the parcel compartments. The finely brushed surface with a 240-grit finish gives the sign a modern, high-quality appearance – perfectly matched to our letterbox and parcel box systems. The pictogram is self-adhesive and can be applied to smooth surfaces easily, quickly and permanently – without drilling or screws. The high-quality adhesive backing guarantees a secure hold – even for long-term outdoor use.

A key advantage: the language-independent pictogram is universally understood by couriers and users, regardless of their native language. This ensures clear and intuitive use of the parcel compartments – even in residential complexes with international residents or when delivery services change. Ideally suited for all parcel compartment systems from Briefkasten Manufaktur – for clear, professional labelling with durable "Made in Germany" quality.
